  - ii. Work with the City Veterans committee to make this happen over the next year. Cheney has contacted the committee secretary and she said they will place this item on their agenda for the next meeting.
  - iii. Provide finances for the plaques; assume Park and Recreation will install (their cost).
  - iv. Organize and conduct the rededication on the 30<sup>th</sup> anniversary of the park on 28 June 2018 – over a year away.
  - v. Discussion on including AL into proposal and sharing costs. Cheney said he will approach AL.
  - vi. Driscoll proposed Post form a committee to work to this plan, with Cheney in lead, second by Aderholt. Motion approved by membership. Cheney called for volunteers to sign up after the meeting: Cheney, Driscoll, Aderholt, Bauer.
- b. Cheney proposed the Hall install a new bulletin board on the lawn in front of the hall to replace the scrolling sign, which we have never figured out how to configure. The proposed board should be aesthetically pleasing, blend with the period of the building, but give us unrestricted access to update information we wish to give to the public. It should be big enough for by VFW and AL information to share its space. Lots of discussion, much of it dealing with the responsibility of the building committee, the cost of the electronic sign, and trying to get anything done through city hall. This was too controversial with too few members available to discuss. Kandie tabled the discussion until next meeting.

#### 22. Closing.

- a. Cheney offered the closing prayer.

- b. Kandie officially closed the meeting at 1120.
- c. The next meeting will be 1000, 17 June 2017.
