Quartermaster Report: Ellison Locket presented the financial report for August. Art moved that it be accepted; multiple seconds; motion passed.

New Members: None

Committee Reports:

Voice of Democracy and Patriots Pen -- Rich Cheney reported that, in addition to our awards, District has awards for successful candidates. Has linked District's web site to ours. Has contacted Martinez school district and Vallejo school district to solicit participation.

Web Site – Rich described features of the web site, e.g., how minutes are presented and asked whether everyone was able to follow the link in his monthly email. Two members reported issues that were to be handled offline after the meeting. Monthly bocce standings deleted due to end of season.

Bocce – Phil reported that our team finished the season in 8th place, an improvement over last year.

Poppies – Walmart scheduled for 1,2,3 Nov. at Walmart; Safeway should be the same days but must still be confirmed.

Honor Detail– Ellison reported two memorials coming up: 23 Sept here at the Hall and 25 Sept at Oakmont. Walnut Festival parade has too few volunteers, but if anyone decides to come after all, meet at Social Security building at 1400.

Prayer for National Home – led by Bruce Bauer.

Announcements –

Next District meeting will be 1 December in Lafayette, 3780 Mt. Diablo Blvd.

School of Instruction is being held today in Pleasanton. Kandie, Carl, and Claude are attending.

Student Veterans of America (SVA) offers scholarships for 12 student vets across the nation. Any vet who is a student can apply. Rich has applied. He has suggested to SVA that they present to the District meeting to solicit up to four SVA member representatives at the national SVA meeting in Florida.

Building – Ellison reported that floors are done downstairs except for main room's floating flooring. The floating flooring is to be removed and replaced. The floor underneath is hardwood, but it would cost more to refinish than to re-cover it. Mac has been painting the walls with cleanable semi-gloss and the stage has been removed, improving the appearance. But removing the stage uncovered the floor issue. Phil estimated \$3000 to re-cover the 1500 sq. ft. With improvements we could charge more for rent. There was a discussion of maintenance

issues, including the broken window. Rich requested that the building committee ask Dave Jackson to put in a request with the county to fix the broken window, at least.

Sick and Distressed Members – Jack Hafen, Terrance Holmes, George Driscoll, Sharon Steelhammer, Juanita Lockett and Stanley Rux. Ellison Lockett had his surgery, placing three stents, and removed himself from the list. Stanley Rux placed himself on the list due to his recent stroke.

Commemorative Dates –

Veterans Day 11/12 (celebration on Monday, in lieu of Sunday, 11/11): Cemetery at 0900, City Hall at 1000 and feed at the Hall at 1100. Phil will cook.

Christmas Brunch - 12/8 1100-1300

Miscellaneous – Rich intends to request a light for the flag pole to relieve the County staff from the twice daily task of raising and lowering the flag. Phil suggests asking the building fund to pay for it. Discussion of a solar option raised the issue of insufficient power to provide light all night. Rich will provide a plaque documenting the bell used at the monument dedication. He requested \$100 to create a poster sized replica of the monument to hang on the wall and to be used for recruiting in booths. Ellison moved that it be approved; Bruce seconded; approved.

Ellison reminded all of the all state dinner.

Closing Ceremony – Rich and Art retired the colors.

Closing Prayer led by Bruce Bauer.

Meeting closed by Rich Cheney at 1058.

Financial Report: Quartermaster Claude Nave provided the update, and available under separate cover by Claude Nave. Motion to accept by Stephanie Cornejo with Kandie Jones second; it was voted on and passed.

Committee Reports: Membership – Claude Nave – Jim Flatt has signed up, DD214 verified (duty in Vietnam). Motion to accept new member by Kandie Jones, second by Richard Cheney. Approved by acclamation. This year we will not reach All State or All American.

Carl Edwards reported that there was nothing to report for the Voice of Democracy or Patriots Pen program. Mike Keppel and Richard Cheney volunteered to assist Carl, who lives out of area and cannot reach out to local schools.

Scout of the year program - Paul Steelhammer: not present.

Website – Richard Cheney. All items given to Cheney have been posted. New items include the current meeting minutes and Request for services (honor guard).

Update to Sign Board. Richard Cheney and Art Miller spent three hours to break the code in how to update the electronic signboard before the meeting. Although not fool-proof the two techno wizzes think they solved the problem and can “seamlessly” provide updates in the future. But if they should die, well the Post will then have to use hand-drawn signs. Current messages include Memorial Day, Martinez War Memorial, Buddy Poppies, and VFW & AL meeting Days and times.

Update on Martinez War Memorial ceremony. See MARTINEZ WAR MEMORIAL PLANNING MEETING AGENDA (Updated 17 April 2018) – attached – for details. The stone memorial will be carved on 7 May. Cheney will announce a date when he and anyone interested may travel to Hayward and see the new monument before it ships to Martinez PW for installation. Upon acceptance, a 25% incremental payment is due Art Monument that day (\$1570). Dave Scola from Martinez PW will travel to Hayward with Cheney, but there will be room for five other people in his van. There is a sign-up sheet posted in the Hall for various roles that need to be filled before, during, and after the ceremony: traffic control (Sea Cadets volunteered); set up seats and seating of invited guests; reading of the names of the Fallen and tolling of the bell; assist in setting up city hall for the reception and cleanup. Cheney requested \$300 to pay for reception food and drink. The question was asked if anyone had been approached for donations. Cheney said both Main Street Martinez and Shell have been approached, but no response as of yet. Carl Edwards second, motion passed.

Separately, Dave Scola, Dan Koepke, Bob Ciella, and Cheney met at Veterans Park to see what needs to be done for the ceremony. Dave will remove the park benches and Bob will replace the existing concrete. He will also remove the natural stone on the right side of the flag pole (this will be the area where the monument will be placed). Chairs will be placed across the front of path leading to the flag. Reserved seating for family of the Fallen will be to the left; the podium is centered on the flag; honor guard, Sea Cadets, and flag bearers on the right. This may very well flow into Alhambra Ave (one lane will be blocked). Standing room on the bark behind the seats and into the street, as required.

Activity Chair – Frank Kastl – not present.

Bocce ball – Phil Dougherty – Play began on 26 April. There will be 6 two-man teams. We lost the first match 2 to 1.

Logistics / Buddy Poppies – Trazena Jones – she has reserved Safeway and Walmart the Thursday, Friday, and Saturday (24-26 May) before Memorial Day. She needs everyone to step up and volunteer their time to make this a successful donation drive.

Flower wreaths for Veterans and Memorial Day ceremonies – Rich Cheney. Char's Flowers of Martinez will provide the 24-inch flower wreath, banner, and stand for \$225. Cheney will pick up on 26 May and deliver to the cemetery before the 0900 ceremony on 28 May. (Updated info from March meeting minutes).

Minutes from January 2018 meeting were posted to the website by Richard Cheney. No changes were noted and the minutes were approved by acclamation.

Financial Report: Quartermaster Claude Nave provided the update, and available under separate cover by Claude Nave. Motion to accept by Mac Cero with Carl Edwards second; it was voted on and passed.

Bring a vet to meeting. Ellison Lockett asked the membership to bring one of their veteran friends to a future meeting to help our membership drive.

Committee Reports: Membership – Claude Nave – there is a need for 3 new members by 31 May to meet the requirements for All State (it allows all members to purchase and wear a white service cap).

Carl Edwards reported that there was nothing to report for the Voice of Democracy or Patriots Pen program. Ellison Lockett asked if anyone had volunteered to assist Carl – Carl said no.

Scout of the year program - Paul Steelhammer was not present.

Activity Chair – Frank Kastl – not present.

Bocce ball – Phil Dougherty – Play begins in April. There will be 6 two-man teams. Find your partner and be ready by April.

Logistics – Trazena Jones – showed the new picture of the membership holding the Sidney Severns lithograph.

Martinez War Memorial – Rich Cheney – reported that Monument Art of Hayward said the granite stone shipped from India two weeks ago and will arrive in California in about a month. Rich showed the memorial article in the Martinez Gazette. Everything is on track for a June 2018 dedication. See website for updates.

Website – Richard Cheney – Always seeking new content. The only items in February's calendar were the meeting today.

Flower wreaths for Veterans and Memorial Day ceremonies – Rich Cheney. The city only provides a wreath with plastic flowers that is reused. It looks pretty tired and, frankly, is disrespectful of our veterans and fallen heroes. Rich distributed pictures of possible replacement wreaths using either real flowers or silk. Real flowers would have to be replaced with each wreath whereas silk flowers would be reused. Cost of real flowers would be \$200/wreath and the silk flowers would be \$300 one time. Cost could be split with American Legion. Other than the obvious advantage of having a high quality wreath for the ceremonies, both Posts benefit because the wreaths would remain in city hall for a week (until the flowers withered) continuing to remind the citizenry of the sacrifices made by the military and acting as a recruiting tool, as the wreaths will have the emblems of both posts attached. A lively discussion followed with concerns about using money for veterans at risk for a flower project. Lennie pointed out how difficult it is to get members to come out for Buddy Poppies – our main source of donations. Claude proposed we try live flowers for one year at \$400 and then re-evaluate. Rich seconded. Approved by the membership.
