Carl Edwards reported on the Voice of Democracy and Patriot's Pen. He said he had contacted one school as of this date. Carl asked the comrades for help so we can get a larger group of students this year. He also advised our Comrades that the date of the Teacher of the Year award has been changed by the Department of California VFW to a later date for this coming year. The date will be given at a later time.

Paul Steelhammer reported on the Scouts. The Scout Troop we sponsor would like to form a Venture Scout Group with a cost to us of about \$200.00. Paul Steelhammer made a motion to sponsor the Venture group if they decide to form the group, Carl Edwards seconded the motion. It was voted on and accepted. The Scouts will not be available to march in the parade this year because of Scouting commitments. If the VA participates in the parade they would like us to help with getting the people to the parade and help take care of them while they are there.

Frank Kastl reported on the recreation committee activities. Bocce ball is being run by Tom Zamaria as the captain. They have not won many games, but are having fun. They are planning a picnic in August with an eight piece band which comes with the backyard BBQ for about 15 people and will be donated by Carl Edwards. If we have more people than that the Post will need to pick up the tab for the extra cost involved. More information will be sent out later.

Claude reported that we didn't make All-State this year. We did receive a plaque from the State of California for the \$500.00 donation for the Wheelchair Games. Claude wants any activities reports that have not been completed to be entered by next week to get credit for the time we have spent on projects. We performed two honor guard funeral details this month, one at Oakmont and one at Dixon.

Ellison Lockett reported on the Veterans Memorial Building. A donation for 10 bricks was made by the

Lillian Golino Living Trust for \$2000.00 plus a donation of \$3,586.00 to the building fund for a total of \$5,386.00. Also, the ladies bathroom has been finished by the Toll Bridge Tollers with art work. The hall is sending a thank you letter to both the Lillian Golino Trust and the Toll Bridge Tollers. Lillian Golino had over 60,000 volunteer hours at the VA hospital in Martinez.

Carl Edwards reported on the VFW State Convention that was held in Bakersfield. He passed the books around for the comrades to look at. Mike Keppel and Carl Edwards attended classes for the Quartermaster and the Canteen operations. Tom Karas from District 10 ran for Jr. Vice Commander, but was eliminated on the first round of voting.

Claude Nave gave the prayer for the National Home.

A motion was made by Paul Steelhammer to buy two VFW medal reflective emblem signs to place at entry points to the City of Martinez, at a cost of \$500.00. Motion was seconded by Carl Edwards and voted on and passed.

Paul is going to contact the Streets of Martinez to see if we can get a table to recruit new members at the Farmers Market.

We received a letter asking us to donate to the Civil War Cemetery at Yountville. Trazena (Candy) Jones will look into to it.

Closing prayer was given by Claude Nave.
